### **The Giant of Jealousy**

Mercy Road Church - Sept 26, 2021

Pastor Mike Lotzer

1 Samuel 18:5-14; Philippians 2:5-8

The success of David began to eclipse that of King Saul. From that moment on Saul becomes a spear throwing tyrant fueled by jealousy and a stubborn unwillingness to relinquish or even share power. As David overcomes the jealousy of others, we are pointed to the true David who cares little for the scorn or praise of the religious elite.

1. **SYMPTOMS:** Jealousy is a symptom of **pride**. (1 Sam. 18:8)

2. **SPIRITS:** If you give Jealousy “the house keys” God will let it will move in. (1 Sam. 18:10)

3. **SPEARS:** If you want to stop throwing spears you need to get off the throne. (1 Sam. 18:11)
